Hey WCS Warrior family,

As many of you know, one of our dearly loved high school teachers has gone through the ups and downs that come with the birth of a baby dealing with health issues. Mr. and Mrs. Walton have spent long days and nights in the hospital caring for their baby boy Judah. Along with prayer, we would like to financially help the Waltons as much as we can.

Put Saturday, August 19, on your calendars because we are having a 5v5 basketball tournament as a fundraiser to help with the medical costs involved in caring for Judah. Admission fees will be \$10 and an hour additional \$5 to play on a team (\$15 total to play). We know this is costly, but we want to raise as much money for the Waltons as possible! The actual tournament will be from 7-10 p.m., but anyone wanting to join a team will arrive at or before 6:30. Do your best to have teams made prior to arrival at 6:30, but we will do our best to find a team for anyone who cannot find one. The teams will be made up of middle school and high school students and teachers only. However, we want everyone to come and support!

There will be plenty of opportunities to spend money, so come with your wallets filled! Remember that 100% of the money raised will go to the Waltons. Other options to spend money include concessions (which can also serve as a dinner for those playing in the season and tournament games), wristbands with Judah's name, and mini games. The mini games will be fun for all ages and have prizes to win. They will be \$1 each to play, but different offers are available to buy tickets in bulk for a cheaper price if you're expecting to play more than one of the mini carnival games. We want elementary students to be involved also so mini games will be a fun option for them. We will also have a donation box for those who want to donate more.

The bracelets are in and will be available to purchase for \$5. Sales for the bracelets will begin during the first day of school.

To help us make the tournament more efficient, please email or text your complete team roster or individual names looking for a team to the number below by August 17.

We need a lot of you to come for the event to be successful and fun so save the date and join in. Looking forward to seeing you there!
