Dear Prospective Families and Students:

On behalf of the faculty and staff of Worthington Christian Schools we want to thank you for your interest in our school. We believe that God has brought us together to serve Him in the exciting ministry of Christian school education for "such a time as this" (Esther 4:14).

Since 1973 WCS has provided an excellent academic, social and spiritual experience for thousands of students. Over 2,500 WCS alumni are now making an eternal impact for Christ in many professions around the world, as well as within their own homes and churches. Our nearly 200 employees stand prepared and ready to work with your child in any way we can.

Here are a few interesting facts about WCS:

- One of the largest Christian schools in Ohio, established in 1973
- Over \$1,000,000 awarded annually in student financial assistance
- Free shuttle bus service is offered to students among of all of our Columbus area campuses.
- Unlike many private schools, the cost of our annual tuition includes most fees including textbooks, sports, yearbooks, lab fees and more!
- Accredited by the Association of Christian Schools International (ACSI), AdvancEd (formerly North Central Association for Higher Learning-NCA) and recognized by the Ohio Department of Education as an accredited, chartered K-12 school.
- *Columbus CEO Magazine* selected WCS as one of the top private schools in central Ohio (2010 and 2011).
- Our students consistently score in the top 10% statewide in the Ohio Graduation Tests (OGT).

I trust that you will enjoy your visit to our campus. Please feel free to contact us for any additional information. May God bless you and your family in this new school year

Dr. John Foreman, Superintendent
