

Summer Day Camp

Are you a **college student** studying early childhood or elementary education? Would you like to be mentored by seasoned staff in a real-life learning environment? Then you're exactly who Worthington Christian Schools is looking for to staff its Summer Day Camp starting in June! We'll be caring for children age 3 through 5th grade weekdays here at the Worship Center.

If you're a **parent** who would be interested in learning more about what's planned for the camp, we'd like to hear from you too.

For more information call
Tim Adams (614-431-8228).
