Butler Springs is a beautiful place near Hillsboro, Ohio. There is no cell service, there are tall trees, a little stream, and a beautiful valley surrounded by the beautiful southern Ohio. There are fields for sports. There is a pool. There is a playground that everyone seems to love because everyone, down deep inside loves to swing! There is an awesome rope course, a long zip line, an alpine swing and places to just sit and talk or be happily alone in the quiet. At night the sky is like black ink and there are more stars than anyone can reasonably expect to see. The beds are comfortable, the restrooms and showers are unremarkable, and the food is great! Take a look at the place: <http://www.butlersprings.com/>

God often does great things in the lives of the students as they get away from it all and just come together as brothers and sisters in Christ and fellow warriors.

There is no cost for this retreat . . . it is an important part of a Worthington Christian education.

What to bring:

1. Sleeping bag and pillow
2. Toiletries
3. 2 changes of clothing – you'll be running around a lot! (comfortable for running around, doing high ropes, sitting by the campfire, etc)
 - a. NO tank top/sleeveless (boys and girls!)
 - b. Shorts must be modest length
4. Swimsuit – ONE PIECE for girls, shorts-style for boys
5. At least one pair of closed toed, tie shoes (for the ropes course, or walking in the woods – prevents poison ivy between the toes) and another pair in case the main pair get soaked
6. Jacket or hoodie

8. Phones and headphones are okay, but remember there is essentially no service at Butler Springs

9. JUNIOR GIRLS – 12 pack of soda or tea

Everyone needs to do their share on this one, as the Endless Snack and Drink Table is a Junior Senior Retreat Tradition. Leave your “offering” in Mr. Road’s room or just bring it with you on Thursday morning, but whatever you do, don’t forget.
