

Reunion Checklist

We are excited to learn that you are planning a class reunion. The Office of Advancement stands ready to help you make your reunion a success. Listed below are a few ideas of how we can work together. If you have an idea or a question, do not hesitate to contact us.

How WE Can Help You

Contact Information: We can provide you with an Excel list containing the names and contact information for your classmates. Admittedly, we have very little up-to-date information for some classes, but we are updating information almost daily.

Promotion: We can help promote your reunion via the WC website, alumni social media, and e-communications.

Facilities: If you are interested in holding your reunion on the WC campus, we can facilitate the process of reserving a room. If your class would like to reminisce by walking the halls of the high school, we too can help with scheduling.

Representative: Is your class interested in learning what is going on today at WC? We would be happy to send a representative to join you and provide a brief update.

How YOU Can Help Us

Contact Information: First, we want to make sure we have the most up-to-date contact information for you. Secondly, would you share with us contact information for your classmates that we are missing?

Promotion: Let us know the specifics of your reunion so we can promote it via the WC website, alumni social media, and e-communications. Please include date, time, location, cost, contact person, and other details like whether children are welcomed.

Pictures: Everyone loves pictures! We would love it if you would share a few reunion photos with us so we can post them to alumni social. Email your digital images to us.
